

AWWAIndia at Aqua World 2016

AWWAIndia recently participated in Aqua World, a one-of-a-kind international, high quality water technology exhibition held from 17th to 19th August, 2016 at Pragati Maidan, New Delhi.

This was a part of AWWAIndia's strategic engagement initiative with Aqua World as a supporting association. A 90-day trial membership offer was introduced for the first time by AWWAIndia at the exhibition which created a lot of buzz among the visitors and exhibiting companies. Many visitors took the 90-day trial membership to learn about the benefits offered by AWWAIndia with an assurance to become a full Individual or a Corporate Member of AWWAIndia community.
