

AWWAIndia participated in 10th World Aqua Congress, New Delhi

AWWAIndia is proud to have partnered with 10th World Aqua Congress as a supporting association. The congress, held at India Habitat Center, in New Delhi on 24th and 25th November, 2016 was the sixth such event that AWWAIndia partnered with. The event focused on water and wastewater management and featured eminent speakers from educational institutes, utilities and corporates who shared their common vision of setting standards to provide portable water to all strata of society.

The 10th World Aqua Congress was a unique conference in water sector focused on initiating a dialogue on policy issues and come up with a policy note as an outcome of the conference. The main aim of the conference is to get the recommendations implemented and incorporated in water policy of the Government of India.
